The Wayne County Chapter of Shooters Committee On Political Education (SCOPE) herein provides our ratings of candidates for Wayne County voters. These should not be construed as endorsements.

We are offering our unbiased ratings of the two candidates for Wayne County Judge in the Republican Primary scheduled for Tuesday, June 27 from 6 am to 9 pm following an interview with the candidates by our Public Relations Contact Team (PACT).

Our PACT committee met for an hour with each candidate in an effort to better understand their interpretations of Constitutional and civil liberties inclusive of the Second Amendment as well as other natural rights susceptible to Government infringement.

The candidates expressed their own personal views on these matters, but it should be made clear that the successful candidate will decide all cases fairly and impartially in accordance with Constitutional governing laws.

For the office of Wayne County Judge:
