## The ORGC is updating our FOB system – Summer 2024!

- The current system was the one originally installed for the ORGC. It can no longer be updated due to age and technology constraints of the old system. The software is no longer supported. If the system were to go down, there would be no access to the club by members.
- New System highlights include:
  - Hardware will be updated and connected to a hosted internet site
  - Software will be installed to manage the new system
  - Hardware has the ability to be expanded to offer more points of entry
  - Same readers and same fobs will be used – no change there
  - Data stored on the cloud to prevent loss and remote access
  - Customizable access for events as needed
- Old system and new system will run in parallel until new system is proven out, at which point the old system will be turned off.

No action needed by our members! The transition will be seamless and provide a more robust and reliable FOB system for our members! Thank you to Andy DeBuyser for coordinating this effort to keep the ORGC current with technology!

## Inland Waters Trap League 2023/2024 Shoot Results: Victor Rod and Gun Club

We are getting close to the end of the season with only 2 shoots left, with that being said the 8<sup>th</sup> shoot of season is in the books! 129 shooters took time out of their weekend to make the trip to the Victor Rod and Gun Club to break some nice clay targets. The weather was a little wet on Saturday and Sunday was dry but no sun until the shoot was over each day. Thank you to the crew at The Victor Rod and Gun Club as they were pretty busy Sunday running 94 shooters through.

### 50 Straights

There were no 50 straights this weekend, we had 1 – 49 by Len Kallfelz of MacDougall and 3 – 48's Marcia Jennings of Lima, Kevin Almeter of Rochester Brooks, and John Button a Junior from Shortsville. Great shooting all!

### Raffle

All but 2 clubs have sold and turned in all their ticket stubs and money. Walworth and Irondequoit please bring the ticket stubs and money to the March meeting at Victor.
