Thank you to the volunteers who finished the back hallway remodel. Dedication to making improvements to the facilities assures it will be in good shape for future generations of sport shooting enthusiasts! Pictured are Jeff Aman, Steve Verdi, Bodhan Ersteniuk, Bill Burger and photographer, Ralph Wroblewski.

Thank you to Ralph Wroblewski for always getting pictures to me while I'm in Arizona.

Thank you to the members who attended the Veterans Fundraiser Meeting.

Thank you to the members who are selling and buying raffle tickets!

SATURDAY WORK DAY

Do you have a skill you'd be willing to share? Will you help out at your own club?

All members are asked at orientation to work at the club for a minimum of 8 hours each year.

We begin at 9:00 a.m. every Saturday rain or shine.

There is always work to do. Painting, range improvements, odd jobs, building, cleaning, organizing and everything in between.

We've had many new faces show up to help and they are a welcome sight! Our regular team is so much fun!

Contact Steve Verdi (585) 739-3195 if you have a specialty and time specific availability or better yet, come to the club on our Saturday Work Day, every Saturday rain or shine, and give us a hand.

Thank you!!

USPSA MATCHES—FAST FUN!

United States Practical Shooting Association sanctioned matches are underway at ORGC for the 2020 shooting season. Ever since our affiliation in 2017 with the largest practical shooting association in the United States, our matches have improved in quality and participation! We've encouraged training for ROs and CROs, invited experienced stage designers to set up what they see in matches across the country, offer a weekly practice match, offer a weekly and monthly Classifier, support novices to experts and build the kind of camaraderie that is typical of the sport shooting community.

We will be using Practiscore for registering and paying for all matches and posting scores. Match Set-up dates and times will be announced for those who can help prep for the match. Get in on the action!

Friendly and efficient work crews!

Never know who may show up!

Fun for all!

A great way to learn about stage design, besides reading the rules, is to help with the set up of a match on the days posted to our club calendar. It is also a good way to "walk the stages" before game day.

And, as with any club, we ask our competitors to help with "take down" after the match.

REMINDERS

Range Security Access is limited to members and their guests.

Your FOB records your IN AND OUT. Close the gate each time you pass. Do not allow anyone else to enter without using their own FOB. There is a fee for lost FOBs.

Please **SIGN IN every guest** in the log located in the box on the long range. Two (2) guests per member at a time, and no more than 3 times per year. Get them to join.

Wear your ID or have it visible to identify yourself as a member. Get to know who is using the facility.

Anyone deliberately destroying or damaging anything on the range, shoot houses, clubhouse or grounds, including wildlife, will be subject to immediate removal and will face the consequences of such actions in accordance with our ORGC Bylaws and Constitution.

Use of equipment provided in Eagles Range is a privilege of membership. It is expected that all people who use the range will leave the range in good condition for the next user.

Put all equipment away.

Remove your targets from the stand and discard.

Pick up your brass.

Put all tools away.

Put your trash in the trash can.

By Frankie LaMarca

I first met Jalise and Justine Williams in 2014 at the Area 2 Rio Salado Desert Classic in Arizona. At ages 10 and 11, their youthful charm hid the fact that they would, in 6 short years, rise to the top of the female shooting world. They are focused, driven, competitive, knowledgeable, humble and absolutely my favorite young women in the competitive shooting world.

Their journey began when they were 3 and 4 years old with an interest cultivated by Dad's hunting. They hunted. A pistol curiosity began with pistol class Mom was taking. They started shooting pistol. All this curiosity led to shooting Tuesday Night Steel, a Berry's Steel Open at ages 9 and 10, a Hard as Hell 3-gun Match at ages 10 and 11. And there was no stopping them. Jalise

won 1 USPSA National Title and 1 IPSC National Title in 2019. She is a Master in Single Stack Division. Justine won 1 IPSC National title and 2 USPSA National titles in 2019. Justine is the 1st women GM in more than one Division and Open Lady National Champion in 2019. They are always learning to shoot in a different division, and their practice is relentless moving them to consistent excellence. And at 16 and 17, they are experienced, reliable instructors at Utah Tactical Performance Center. I learn from them each time we compete together. They are supportive. I always tell them, "I want to be you when I grow up!" True!

What do we have to learn from Jalise and Justine and their parents? Girls should be encouraged to enter the sporting firearms world. Their interest and attempts should be supported, and we should take the time to share our learning and experience with the young women we know. NYS laws are restrictive, but with long guns young women can most certainly learn firearm basics from firearm loving parents, just as Jalise and Justine did. They prove firearm safety and handling; fundamentals and enjoyment can be learned at a young age. It is up to parents, mentors and women shooters to provide the experiences that pique curiosity and interest of the next generation of female firearm enthusiasts.

What I propose for your consideration is to introduce firearms to the younger women in your life and consider how you could ignite a passion for firearms and shooting leading to a lifetime of sporting firearm enjoyment. By the time she's ready for a pistol permit, she'll have the basics, perhaps have shot a few rifle or shotgun matches, and know how to protect/defend herself. That is a great advantage and in my opinion, everyone wins.

The Civilian Marksmanship Program (CMP) is a national organization dedicated to training and educating U. S. citizens in responsible uses of firearms and air guns through gun safety training, marksmanship training and competitions.

CIVILIAN MARKSMANSHIP PROGRAM

Do you have an M1 Garand, Mauser, Mosin Nagant, or some other old war horse gathering dust in the gun safe? Dig it out, dust it off, and come join us for some fun. The club will begin hosting regular Civilian Marksmanship Program (CMP) High Power Service Rifle matches throughout the shooting season.

Eligible firearms are any vintage or modern military service rifle, semi-auto or bolt action, in an "as-issued" configuration (M1 Garand, 1903 Springfield, Mauser, Mosin Nagant, SKS, Enfield, Swiss K31, A2 / M4 profile AR-15, etc.).

Iron sights only, with the exception of the AR-15's. CMP now allows an optical sight (reflective sights are considered optical sights) with a maximum power of 4.5X installed on the receiver. According to CMP rules, only commercially manufactured scopes that were produced with a maximum magnification of 4.5X and that have a maximum objective lens diameter of 34 mm may be used.

The matches will take place on the 200 yard range and consist of a standard 30 round course of fire:

- 10 round slow fire prone with a 10 minute time limit
- 10 round rapid fire prone with a 80 second time limit
- 10 round slow fire offhand (standing) with a 10 minute time limit

The basic requirements are:

- an eligible rifle
- 40 rounds of ammo (the club does have a limited supply of 30-06 M2 ball available for \$1/round)
- a sling (a cheap GI web sling works the best)
- an empty chamber indicator/flag (we will have extras available)
- shooting mat, piece of carpet, or something to lay on while shooting prone
- stripper clips, enblocs, spare magazine (for the rapid fire stage)
- pen or something else to write with

Nice to have but not absolutely necessary:

- target pasters
- spotting scope
- shooting jacket
- shooting glove

The match fee will be a very reasonable \$5. We will have a few mentors/coaches available to make sure that everybody is comfortable with the process and has a good time. Come on out and join us for the fun!

Please contact **Todd Hughes or Bill Burger** to be added to the CMP Match mailing list for notifications concerning these matches or if you have any questions.

TUESDAY NIGHT TRAP—AN ORGC TRADITION

Come on down and join us for a round or two of trap shooting and at ORGC every Tuesday night. The trap fields are open to the public every Tuesday night, so bring a friend and have a friendly competition from 5-9 p.m. Along with the friendly, familiar faces, we welcome brand new friends.

Member price is \$4.00. Non-member price is \$6.00.

Junior Price is \$3.00

We encourage trap shooters of all skill levels to come and enjoy shooting with us. We have a number of skilled trap shooters who are just fun to watch. We hope the Webster High School students of the NYSHSCTL join us for the fun. Great kids and great shooters!

Dinner is available in the clubhouse kitchen on Tuesday nights beginning in April. Hot and cold beverages and snacks are available, too.

“The expert at anything was once a beginner.”

NYSHSCTL at ORGC

Check with your local high school to find out if you can get involved. We have students from Webster Central School District shooting twice a week as they work toward qualifying for the championship events in June.

“The USA High School Clay Target League is a 501(c)(3) non-profit organization, and is an independent provider of shooting sports as an extracurricular co-ed and adaptive activity for high schools and students in grades 6 through 12.

The organization’s priorities are safety, fun, and marksmanship – in that order. The League attracts student athletes that have earned their firearm safety certification to participate in shooting sports while creating a “virtual” competition among high school teams at no cost to the schools. Family travel costs are minimal because practice and competition are conducted at a shooting range near the school’s location. The league is also the safest sport in high school, with no reported injuries since the inception of the League in 2001.”

June 1: National Championship individual and team competition registration begins. Please see <http://usaclaytargetchampionship.com> for more information. Registration closes when full.

New York State Tournament: Weekend of June 27th – Qualifying athletes are invited to participate in the New York State Tournament! Visit the [State Tournament website](#) for more information!

National Championship: July 8th-12th, 2020 – Mason, MI – Qualifying athletes are invited to participate in the USA High School Clay Target League’s National Championship! Visit the [National Championship website](#) for more information.”

SHOOT REPORT Lima: February 1-2

Our shoot in February brought us to Lima. The league had a total of 132 shooters this weekend. Jerry Abbott shot the lone 50 straight. The Stein shoot off was won by Dave Mueller. Scott Long won the 50/50. Steve Kornbau won the 5 boxes of shells. Remember, we are trying to raise money for our class purse at the end of the year. Bring as many empty returnable cans or bottles as you would like. Also, don't forget to get your BT-99 raffle tickets. Our next shoot is at Mendon on March 7-8. Don't forget to set your clocks ahead on Saturday night. Thank you to the guys at Lima for your help in running a smooth shoot.

By Frankie LaMarca, Communications Director ORGC

The Ontario Rod & Gun Club continues 70 years of operation at 2523 Trimble Road in Ontario, New York. It is one of New York's premier gun clubs of the Finger Lakes Region, with over 400 members from Monroe, Wayne and Ontario counties. ORGC offers a wide range of sport shooting activities, membership involvement and a tradition of helping local veterans.

We boast a vibrant sporting firearm calendar, running weekly and monthly events, such as USPSA Practical Pistol Matches, 3-Gun Nation and Rifle Matches, Open Trap Shoots, Civilian Marksmanship Program, Inland Waters Trap League, Women's Programs, New York State High School Clay Target League, Youth Program, and a 50-50-50 President's Cup Trophy Match. There is always something happening at ORGC from friendly practices to dynamic competitions.

Our commitment to maintaining the ranges and clubhouse is evident in the improvements made during 2019. Fresh paint for the clubhouse and all outdoor structures, new roofing, gutters, windows, heating/cooling and landscape was accomplished with the diligent work of our dedicated member volunteers. The west trap house and field was rebuilt to accommodate a new PAT Trap machine, and similar plans are underway for the east trap house and field.

ORGC embodies the spirit of volunteerism, aptly named the "ORGC Family." Members are asked to give eight hours a year to "help out." That spirit of volunteerism extends beyond repairs and into the community. Our annual Veterans Fundraiser gives 100% of the proceeds to local veteran's organizations, supports the work of our ORGC Veterans Benevolent Fund, and participation in Wreaths Across America. At ORGC, the possibility exists for every member to be apart of a terrific place to shoot AND fulfill an intrinsic need to be useful – sorting brass at the club or delivering food boxes to local veterans.
