THE 2019 VETERANS FUNDRAISER

Are you ready for a month of fun? We plan to make this event the best yet for your enjoyment and for the benefit of our local veterans. Details on each event are located on pages 2, 3, 4.

Saturday, July 13, 2019– Joseph DiVito Memorial Trap Shoot

**Saturday, July 20, 2019 – Main Events—Shooting Sports!
Chicken BBQ & Family Events
RAFFLE & SILENT AUCTION Begins**

**Saturday, July 27, 2019 – Dale Prindle Memorial USPSA Match -
Level 1 Match AM & PM Squads**

The Silent Auction will be extended to the USPSA Match to give match participants an opportunity to bid. High bid winners will be announced after the match.

Main event day is **Family Friendly** with activities for little kids on the front lawn. Shooting **opportunities for kids 10+** will be happening on the main ranges. Take a pistol instruction class or pick up a rifle or a shotgun for the first time. Raffle and silent auction items will be in the clubhouse for adult bidding beginning at 9 a.m. There will be \$2, \$5 and \$10 raffle ticket items for sporting firearm related and other goods and services. Sponsors such as Glock, NAA, ESP, Springfield Armory and VooDoo Tactical, Little Owl Massage, Genesee Brewery and many others.

The chicken **BBQ sold out last year**, so order ahead is recommended. Generous folks can purchase **Pay It Forward dinners** for local veterans. We can deliver 175 of these dinners to the veterans on Event Day! Consider being an event sponsor on page 5 for sponsorship levels. You can register ahead of time for most events, order a chicken BBQ dinner, lunch or an opportunity to introduce your youngster to sport shooting at

THANK YOU FOR HELPING US HELP VETERANS

New Website

It takes time in a volunteer organization and we are doing our best. Our website is up www.theorgc.com.

We are making adjustments. We hope the site reflects our passion for sport shooting and the value of belonging to a club of like minded individuals.

The monthly calendar is posted. With a little practice you'll find it is easy to use and is up to date. Click on Calendar and it scrolls down automatically. Easy!

The member's only area is still under construction, so please don't request access yet.

Events At ORGC page has range closures noted in RED that may affect your plans.

We are asking for your help!

Be part of something bigger than yourself...the Veterans Fundraiser !

We need volunteers on Friday, July 19 to help with set up, clean up, touching up and getting ready for the Saturday Main Event.

We need volunteers on Saturday July 20 to help with clean up and putting the range back in order for our members.

If you want to learn how stages are designed for a USPSA Practical Shooting Match, consider volunteering to help set up stages for the July 27 Dale Prindle Memorial Match.

Volunteering is a great way to meet club members who are ALWAYS at the range doing some good work. Call Steve 585-739-3195 He will put you to work at your club.

Range Reminders

Range Security Access is limited to members and their guests.

Your FOB records your IN AND OUT. Close the gate each time you pass. Do not allow anyone else to enter without using their own FOB. There is a fee for lost FOBs.

Please **SIGN IN every guest** in the log located in the box on the long range. Two (2) guests per member at a time, and no more than 3 times per year. Get them to join.

Wear your ID or have it visible to identify yourself as a member. Get to know who is using the facility.

Anyone deliberately destroying or damaging anything on the range, shoot houses, clubhouse or grounds, including wildlife, will be subject to immediate removal and will face the consequences of such actions in accordance with our ORGC Bylaws and Constitution.

Use of equipment provided in Eagles Range is a privilege of membership. It is expected that all people who use the range will leave the range in good condition for the next user.

Put all equipment away.

WOMEN'S CORNER - TWAW - ONTARIO, NY

Happy Independence Day! We celebrates our God given right to life, liberty and the pursuit of happiness. For each, we are grateful. Our rights include the right to self-protection, and with that comes the sobering realization that we are our own 'first responders.' Women have a right to defend themselves and their families. The question to pose to those who attempt to tell

you otherwise is "How would you recommend I defend myself from physical assault, sexual assault, stalking, from a person who outweighs me by 100 pounds, or is a foot or more taller, or from my EX who ignores a restraining order and breaks into my home wielding a knife and a baseball bat screaming 'I'm going to kill you!'" >Crickets<

Clearly, men have a biological advantage over women that can only be leveled when a woman decides how she will defend herself against an assault. In the most crucial moments, it is ultimately up to the woman to decide – do I relinquish my rights and life to this criminal, or do I decide I'm going to fight back and survive. That's a no brainer: I CHOOSE ME.

As wives, single mothers, career driven gals, professionals, young, mature, and women of every size, shape and interest, we get together because we believe gun rights are women's rights. We will celebrate our independence as educated, equipped and empowered USA women!

GREAT START FOR ORGC YOUTH PROGRAM

ORG Youth Club began **Monday June 10 and will continue until September 16, 2019**, except holidays from 5:30-7:00. Youngsters ages 12 and up, will learn the basics: range etiquette, handling, shooting, care and respect of sporting firearms.

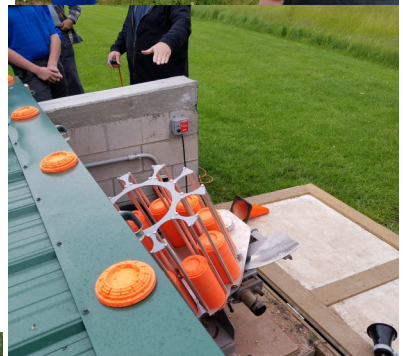

John LaMarca is directing the program along with members, Bill Burger, Doug Trumpowski, Ralph Wroblewski and TJ Milliman, instructor from the NYSHSCTL.

It is free to member families, and \$20.00 per year for non-member Junior membership with no range privilege. This is the perfect opportunity to get your youngster involved in a lifetime of enjoyment.

Parents must remain on site during the lessons and are **welcome** to participate or wait in the clubhouse. Snacks and drinks are available for purchase. Students must provide their own eye and ear protection, and may use their own gun.

Let us know if you will help, and if you have a youngster interested in this opportunity. Contact John LaMarca 602-686-0893 la-marca1@cox.net.

A special thanks goes out to **The Buffalo Gun Center** for their generous support with ammunition for our youth league. These shooters are our next generation of 2nd Amendment supporters and The Buffalo Gun Center sees the potential in the youth and goes above and beyond in their support. When you are in Buffalo, please stop by their impressive shop. They are only a couple of miles off of Rt 90 and worth every minute of your time.

We're going to try out a new thank you page to recognize the members who give so much of their time to make ORGC a growing and thriving community of sporting firearm enthusiasts.

Thank You Member Volunteers!

Thank you to the Veterans Fundraiser Committee for working to assure this event for our Veterans is a success!

Thank you to Jeff Aman, our Tuesday Night Practice Match Director, John LaMarca for the Classifier, and for the competitors who help set up and break down the stages.

Thank you George McFaul for your time building and repairing on Saturday Work Days.

Thank you to Heidi Levan & Bob Ledgerwood for the yummy Tuesday dinners.

Thank you to the Patriot 3-Gun Match set up and take down crew, tape/reset crew and Match Director Eli Saber.

Thank you to the Board of Directors and Club Officers for assuring the responsible operation and growth of our club.

Thank you to Thomas RL and Webster Schroeder High School Trap Leagues (NYSHSCTL) for choosing us for your trap shooting clubs!

Send your photos of members working at the club so they can be recognized for their volunteerism that makes ORGC the best club in up-state NY. frankielamarca@gmail.com

MEET THE MEMBER CHAIRMAN STEVE VERDI

One of the first things you'll notice about Steve Verdi is his direct approach to people and problems. You can attribute some of that style to his "downstate" roots, but most of it to his love of ORGC. He is a problem solver with a vision for ORGC that began in 2005 when he was looking for a rifle club. His first choice didn't work out because he believed a club should be inclusive to all level shooters, patient with youth, have RO's with a sense of fairness not favoritism and actively involve members.

While Steve's godson, Scotty Junior, was in Rochester attending RIT in 2006, they joined ORGC to have something to do. One afternoon they went to use the recently opened rifle range, but couldn't because two elderly gents, who happened to be the club chair and president, were in the trap house. "How long will you be?" Steve asked. "It depends on if we have two guys loading this or four," the Chairman answered. Steve and his godson jumped right in. Scotty would later say, "I can see you running this place."

Steve's range orientation official, Roger Finger, became the mentor who encouraged him to pursue the challenges presented by an old 1950's trap club, embedded with traditions and practices that worked at one time, but needed updating. Steve, Roger and a few others pooled \$1,000 of their own money to start the Range Fund. With Roger's support, Steve presented his first idea of a berm between the pistol and long ranges. The idea was approved and Steve left that meeting as the new Vice President.

At this point, Steve began to do more over the next few years. He started to build the club from a defunct and slowly dying organization while under the constant scrutiny and criticism of club 'elders.' Steve, owner of a custom construction company, took it upon himself to build the planter box in the front yard and hoist the club sign that had been lying flat in the yard for years. The club Chairman at the time asked why Steve didn't get permission to do that job. Steve replied, "When I become Chairman, I won't look a gift horse in the mouth."

It was several years and several tactical moves later that Steve finally became the Chairman. He read the bylaws, called out the ineffective, replaced the dead wood, and built up just about every part of the club as it operates today, from the physical improvements of the ranges and clubhouse, to the youth program and the passionate support for veterans through the annual Veterans Fund-raiser events.

Vision backed by determination and trust in the people he enlists to serve as tireless volunteers who work as hard as he does to make it a success. His keen ability to see the potential of people assures he puts them where they will do the most good for the club. Decisions are driven from his assessment of need and always in the best interest of the club. Steve's wife, Rosalie, is amazingly supportive and understands his commitment to ORGC.

You've got to admire Steve's tenacity and loyalty. He could have easily walked away. Instead, his vision increased membership, packed a calendar with events, encouraged friendship, planned ongoing improvements, invited fresh faces to leadership roles, added inclusive activities, and assured solvency. "When I do a custom construction job, I do it for one household. The gun club is different. I'm doing this for everyone. I want ORGC to be unique; different from other clubs. I want ORGC to be the legacy I built for everyone to enjoy." A big thanks to Steve for pursuing the vision we all enjoy.

USPSA RANGE COMMANDS FOR MATCHES AT ALL LEVELS

Following are the OFFICIAL USPSA Range Commands to be used by anyone who takes the lead as the stage RO and is holding the timer and 'running' a competitor.

The competitor steps into the shooting area:

- ◆ Make Ready
- ◆ Are You Ready?
- ◆ Standby....(for buzzer)
- ◆ (Start Signal) - Timer

Commands to use when RO observes potential safety issues

Stop
Finger
Muzzle
Squib

When the competitor indicates he/she has completed the course of fire:

- "If You Are Finished, Unload and Show Clear"
- Pistol: "If Clear, Hammer Down.....Holster"
- Revolver: "If Clear, Cylinder Closed....Holster"
- PCC: "If Clear, Hammer Down, Flag....Case"
- Range is CLEAR

(USPSA Rules 8.3 8..1-8.3.8)

Match Etiquette Intelligence

by Frankie LaMarca

Ever wonder why some squads for USPSA and other matches fill so quickly, while others don't fill until the last minute? If you're an educator, you've heard of Gardner's Theory of Multiple Intelligences. I added another for this purpose: Match Etiquette Intelligence. Practiscore, allows you to select with whom you'd like to shoot ahead of time. Chances are you'll probably pick people you know are fun, know will challenge you and know will pitch in to move the match along. You also know who you want to avoid. This is true at every level match. Some competitors may as well be in a squad alone because they lack **match etiquette intelligence**. What are some of the traits?

Be On-Time and Organized

- Have your gear ready when you arrive at the stage.
- Reload and be ready to go again after you finish the course of fire.
- Inform the RO if you need to leave the stage for necessities.

Be in the Moment – Participate

- "Range is Clear" is the squad's call to action – every competitor's responsibility and everyone should be ready to work.
- Exception is if you've just completed the COF and are reloading, or if you are the "On Deck" shooter.
- RO's **should** call out the jobs required to keep the stage flowing and unless it's your first rodeo, you should know what to do if they don't call it out: Tape targets after they've been scored, reset steel, pick up brass and magazines.
- But don't be too quick! Be mindful that many shooters WANT to see their hits. Hits talk.

What people don't realize is following the Scorekeeper and taping after a target is scored gives you an opportunity to 'see' the target set-up from a different perspective that may provide another shooting option. And it can be fun. I've been in a 'race to paste' with some of the best. Rob Leatham is big and quick with a tape gun, outrunning me plenty of times to get to a target. Jalise and Justine Williams will out-paste as well as they'll out-shoot just about anyone. And, unless you like procedural penalty points, don't be the person who appears to be working by picking up magazines but is using one as an instrument to 'walk the course' (USPSA 8.7.2) when he/she isn't the "On Deck" shooter. The ONLY person walking the stage at this point should be the "on deck" shooter.

Unsolicited "Advice" Doesn't Help

- A tactful, friendly approach is always the best. Or simply be quiet.
- For the obvious novices, how about "I see you are new. If I can help you, let me know."
- If she is a girl, it doesn't mean she doesn't know or needs fixing. She probably has an awesome coach on her squad. Unless she asks, Shhh!
- The Exception is SAFETY Violations out of the ROs view. Safety is everyone's business and if the friendly approach doesn't work, alert the ROs to help.

Don't Run When It's Done

- Club matches are produced and run by volunteers who appreciate the help of every person on a squad to breakdown and store equipment.
- Tearing down gives everyone a chance to decompress, talk and build relationships.
- Everyone knows the person who always runs off without helping, so bring work gloves and pitch in.

TUESDAY NIGHT OPEN TRAP AL INCARDON SHOTS A 25-23-25

Al Incardon shot his first 25 straight at Tuesday Open Trap Night May 28! He followed up with a 23 and another 25. Congratulations, Al!

The trap fields are open to the public every Tuesday night, so bring a friend and have a friendly competition from 5-9 p.m. Along with the friendly, familiar faces, we welcome brand new friends. Maybe hatch a plan to beat Al's amazing score!

We hope the high school shooters will join us and continue their progress. We all have a lot to learn from each other and the camaraderie is just plain fun!

Dinner is available in the clubhouse kitchen on Tuesday nights from April to September 17. Check the dinner board for details of the week's offering. Cold beverages and snacks are available, too.

PRESIDENT'S TROPHY 50-50-50 MATCH

IN THE BOOKS FOR 2019

You missed a great day at the range if you decided to skip the annual President's Trophy 50-50-50 match. We had a rainy windy starts that turned into a clear and windy finish with competitors cheering each other and everyone having fun.

The annual ORGC event raises funds for projects on the range and clubhouse. Improvements on the ranges included a new gravel base in the training range, and some new steel targets, a new roof, gutters, windows, and a new heating/

cooling system for the clubhouse.

Fifty shots on steel with pistol at 12 yards, fifty shots on a bullseye target with a rifle from fifty yards and 50 shots from behind the trap houses yielded our winners.

Iron Sites Winner

CLUBHOUSE GETS A FACE LIFT WITH A BULLETIN BOARD REFRESH

The clubhouse may have a different look and feel next time you visit. All bulletin boards received a refreshing update thanks to the organization skills and dedication of Heidi Levan, Club Secretary, and Frankie LaMarca, Director of Communications.

Bulletin boards are the visual information centers where an organization can communicate policies, procedures, inform members and visitors of events and meetings, and give members, who became accustomed to the same tired format, a new reason to pay attention. Information centers need to be maintained and updated regularly to retain the attention. Dedicated spaces make locating information quick and easy.

Heidi and Frankie will keep the visual information centers at the club house fresh and organized. Maintenance of all visual information areas will be their responsibility. This will assure the areas remain organized and clutter free. This improvement was approved by the Board of Directors at the June 20th meeting. Chairman Steve Verdi supports the new look, stating “Communication in an organization is essential for success and growth.”

If you have paper copy items such as business cards, informational flyers, solicitations, training flyers, or event information you would like to be considered for display, place it in the bin labeled Director of Communication, located outside the office door. This applies to club information and events, and both members and outside interests seeking to use the space for communicating. We will determine the best place to display the items.

3-GUN NATION: A HIGH OCTANE COMPETITION

It's an exciting time at ORGC! We are the first and only official **3-Gun Nation** affiliated club in the state of New York! What does this mean for you? This means you as a shooter can join 3-Gun Nation and get your official national classification at local ORGC 3 gun events. ORGC will be holding larger scale 3 gun events that will contain special 3GN classifier stages. It is these classifier stages that will determine your national ranking. You will be able to directly compare your scores to the best shooters in the sport. Browse the rules and membership information at:

<http://3gunnation.com>

What is 3-Gun?

3-Gun is best described as the “X Games” of the shooting sports. Fast paced action! The sport of 3-Gun requires three different guns — a pistol, a shotgun and a rifle. The course of fire is timed and you score points by shooting a variety of targets including paper targets, clay pigeons and steel.

In 3-Gun, the course of competition and targets are at the discretion of the match director. That's right, each match director makes up the competition so each 3-Gun match you shoot will be unlike the one you shot before. There may be shoot or no-shoot targets, targets that must be knocked down, while others, like steel, for instance, may activate another target. The course is scored by how many targets you hit, the accuracy of the shot on certain targets (cardboard), deductions for various penalties and, of course, the time you take to complete the course.

Gearing up for 3-Gun...

Believe it or not, you do not have to break the bank to enter the sport of 3-Gun. Attend a match to see what it's all about, and you're likely to find more than a few willing to loan you their guns for the day to get you started. Typically, you would start with a modern sporting rifle (MSR) such as an AR-15, a shotgun (pump or semi-auto as you choose) and a handgun. You are going to want to select a shotgun of 20-gauge or larger, a rifle chambered for .223 or larger and a pistol of 9mm or larger. You'll also need spare magazines for your rifle and pistol, as well as a way to carry and easily access spare shotshells.

If you have any questions or need more information on to participate, get involved, or join 3 Gun Nation, please email Keith Bourgeois at: keith@teamrangelog.com

CMP Match Schedule 2019

September 15

October 20

- **First squad starts at 10:00 a.m.**
- **On the 200 yard Range**
- **30 Round Course of Fire**
- **Match Fee \$5.00**
- **Mentors & Coaches there to assist**

The Civilian Marksmanship Program (CMP) is a national organization dedicated to training and educating U. S. citizens in responsible uses of firearms and air guns through gun safety training, marksmanship training and competitions.

CIVILIAN MARKSMANSHIP PROGRAM - A NEW SUMMER PASSTIME?

Do you have an M1 Garand, Mauser, Mosin Nagant, or

some other old war horse gathering dust in the gun safe? Dig it out, dust it off, and come join us for some fun. The club will begin hosting regular Civilian Marksmanship Program (CMP) High Power Service Rifle matches throughout the shooting season. The 2019 match dates are: May 19, June 16, August 18, September 15, and October 20.

Eligible firearms are any vintage or modern military service rifle, semi-auto or bolt action, in an "as-issued" configuration (M1 Garand, 1903 Springfield, Mauser, Mosin Nagant, SKS, Enfield, Swiss K31, A2 / M4 profile AR-15, etc.).

Iron sights only, with the exception of the AR-15's. CMP now allows an optical sight (reflective sights are considered optical sights) with a maximum power of 4.5X installed on the receiver. According to CMP rules, only commercially manufactured scopes that were produced with a maximum magnification of 4.5X and that have a maximum objective lens diameter of 34 mm may be used.

The matches will take place on the 200 yard range and consist of a standard 30 round course of fire:

- 10 round slow fire prone with a 10 minute time limit
- 10 round rapid fire prone with a 80 second time limit
- 10 round slow fire offhand (standing) with a 10 minute time limit

The basic requirements are:

- an eligible rifle
- 40 rounds of ammo (the club does have a limited supply of 30-06 M2 ball available for \$1/round)
- a sling (a cheap GI web sling works the best)
- an empty chamber indicator/flag (we will have extras available)
- shooting mat, piece of carpet, or something to lay on while shooting prone
- stripper clips, enblochs, spare magazine (for the rapid fire stage)
- pen or something else to write with

Nice to have but not absolutely necessary:

- target pasters
- spotting scope
- shooting jacket
- shooting glove

The match fee will be a very reasonable \$5. We will have a few mentors/coaches available to make sure that everybody is comfortable with the process and has a good time. Come on out and join us for the fun!

Please contact **Todd Hughes or Bill Burger** to be added to the CMP Match mailing list for notifications concerning these matches or if you have any questions.
